Matters Arising:
1. Some blogs do not contain the correct information, contain errors or are out of date
    Action: all
2. Website mockup will keep being improved
    Action: jap30, ler14, dkm2
3. Web team need to continue looking at bootstrap
    Action: jap30, ler14
4. Test specification needs improvement (more tests for each stage)
    Action: sah54, jar52
5. Java side has been started and will be shown on Friday to the group
    Action: daw48
6. The feedback from the assessed work needs to be taken into account and improvements made where suggested
    Action: all
7. Requirement specification is now fixed

New Business:
1. Darren must ask Nigel his questions directly
    Action: daw48
2. Darren UML diagram has many errors that need to be fixed (icons are not correct, needs to be on a white background, overly complex so maybe split it up)
    Action: daw48
3. Group hours need to be collated onto a spreadsheet
    Action: Jar52
4. State diagrams and some other optional ones will be left for now
    Action: sis22 (if you want to do any of them)

AOB:
1. We will have a review meeting next Wednesday
